

SAC PRESENTS

# A FEW GOOD CLAIMS

NORTHERN CALIFORNIA SUMMER SEMINAR

Capture valuable insight from SAC's heralded expert legal team based on its 30-plus years of experience. This two-part program will touch on key healthcare issues, provide legislative updates, and present a simulated arbitration hearing with explanatory commentary on the practicalities and process of the arbitration hearings we handle on your behalf. As always, the program will include significant question and answer opportunities, covering the most pressing healthcare issues within our industry.
